**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

### **About These Forms**

1. **In General.** This and the other pleading forms available from the [www.uscourts.gov](http://www.uscourts.gov) website illustrate some types of information that are useful to have in complaints and some other pleadings. The forms do not try to cover every type of case. They are limited to types of cases often filed in federal courts by those who represent themselves or who may not have much experience in federal courts.
2. **Not Legal Advice.** No form provides legal advice. No form substitutes for having or consulting a lawyer. If you are not a lawyer and are suing or have been sued, it is best to have or consult a lawyer if possible.
3. **No Guarantee.** Following a form does not guarantee that any pleading is legally or factually correct or sufficient.
4. **Variations Possible.** A form may call for more or less information than a particular court requires. The fact that a form asks for certain information does not mean that every court or a particular court requires it. And if the form does not ask for certain information, a particular court might still require it. Consult the rules and caselaw that govern in the court where you are filing the pleading.
5. **Examples Only.** The forms do not try to address or cover all the different types of claims or defenses, or how specific facts might affect a particular claim or defense. Some of the forms, such as the form for a generic complaint, apply to different types of cases. Others apply only to specific types of cases. Be careful to use the form that fits your case and the type of pleading you want to file. Be careful to change the information the form asks for to fit the facts and circumstances of your case.
6. **No Guidance on Timing or Parties.** The forms do not give any guidance on when certain kinds of pleadings or claims or defenses have to be raised, or who has to be sued. Some pleadings, claims, or defenses have to be raised at a certain point in the case or within a certain period of time. And there are limits on who can be named as a party in a case and when they have to be added. Lawyers and people representing themselves must know the Federal Rules of Civil Procedure and the caselaw setting out these and other requirements. The current Federal Rules of Civil Procedure are available, for free, at [www.uscourts.gov](http://www.uscourts.gov).
7. **Privacy Requirements.** Federal Rule of Civil Procedure 5.2 addresses the privacy and security concerns over public access to electronic court files. Under this rule, papers filed with the court should not contain anyone's full social-security number or full birth date; the name of a person known to be a minor; or a complete financial-account number. A filing may include only the last four digits of a social-security number and taxpayer identification number; the year of someone's birth; a minor's initials; and the last four digits of a financial-account number.

## 1 What happened to you?

How were you discriminated against?

For example: were you refused an opportunity to rent or buy housing? Denied a loan? Told that housing was not available when in fact it was? Treated differently from others seeking housing?

State briefly what happened.

I not allowed to use the common area, which includes the only legal exit from my dwelling upstairs, The violent party, landlord and nieghbors/other tenants have taped packages to the outside of my door and have sent a cryptic "notice to vacate" via text message, but they also include the fact that they will "exercise their legal rights" if I dont comply - this to me is clearly not permission to leave despite the fact that my luggage is packed, but I have no place to go - I also am refused access to the mailbox and garbage, which were original terms of the lease, see the two pages sent to me by them attached (and possibly also attached to my front door) and please understand that Im transgender and have a disability so please email or text me only, and Im running low on food. This may be related to a different civil complaint to a differnt agency and in court.

## 2 Why do you think you are a victim of housing discrimination?

Is it because of your:

• race • color • religion • sex • national origin • familial status (families with children under 18) • disability?

For example: were you denied housing because of your race? Were you denied a mortgage loan because of your religion? Or turned down for an apartment because you have children?

Briefly explain why you think your housing rights were denied and circle the factor(s) listed above that you believe apply. See restraining order I had to file against one of the landlords, who now blocks my only legal exit and Im LGBTQIA+ and have medical issues.

## 3 Who do you believe discriminated against you?

For example: was it a landlord, owner, bank, real estate agent, broker, company, or organization?

Identify who you believe discriminated against you.

Nicole and Keith,

I don't yet have the paperwork for the mental health assessment required by UnitedHealthcare for my surgery and I have made more than a reasonable effort to make telemed appointment with Lavender Clinic on Oahu, ke ola pono on Maui, etc., however there have been over 50 appointments charged to our insurance provider by various "medical" personnel for "therapy" etc.

I've asked for whatever final appointment I would need for this paperwork to be completed timely. I believe it needs to be an actual Medical Doc, however UnitedHealthcare will not make that clear.

I made my uncomfortable ness known to some of these providers regarding the conflict of interest, for example I was the lead audit on their financial services 😞

I do not wish to continue any longer with any "therapy" except for any final sign off needed from these men, and I thank you for your service thus far

I already participated in a telemedicine appointment at Lavender Clinic with a medical doctor who is qualified under united health standards and I strongly believe that should count as one sign off

Evidently this man expected me to fly to Oahu under Covid 19 while he participated in the telemedicine part. Thanks to Lavender Clinic for putting public safety first

Otherwise please direct Nicole who states to be my "social worker" to get this paperwork completed via telemed at ke ola pono malama or accepted provider.

I submitted a blood sample and release form to pp this week, and would prefer telemed for any necessary additional appointments for obvious reasons to be cleared for my surgery once providers of these services are allowed to resume normal operations. Thanks Keith for your service as well.

Please provide any necessary paperwork no later than JULY 1, 2020, which is more than 30 days from today or otherwise state your objection in writing to me by no later than May 31, 2020.

Per on wearing Military style clothing etc

The landlord, Kelli Dori, requires me to obtain "permission" to leave my apartment. I need to get food and medicine this week, but she continues to block my exit, also uses the word "kike" frequently in conversation, as do many locals here on Maui. See restraining order attachment in prior email

Hello,

Unfortunately, the NDVH does not have an email line. Our services are for DV and SA so our resources may not be what you need from us. What we would recommend is finding tenant rights advocacy, as this will provide better resources and service for issue with your landlord infringing on your right. We hope this helps.

I need someone to ask my landlord for "permission" to go outside my apartment and I would be violating my own restraining order somehow if I went out my only legal exit, this caused me much fear and I am still forced inside against my will, I need water food and medicine, but I can't leave my apartment, how's your day?

I can exit physically, but it would be in violation of the terms of my own restraining order, get it? Also the local emails you sent are not functioning, contributing to the risk

I can't physically leave via the only legal exit to my apartment, without "approaching her" or otherwise violating the court restraining order, and she has made it clear that I do NOT have her permission at any time to use the common exit, nor to enter thereafter, thank you. Also, the other landlord refused to provide a safe and legal entry and exit to the building and I have been trapped for several days, I need to communicate via text since my ears were injured and I can't fully understand someone shouting at me, thank you. I'm also afraid to get exposed to biohazard covid19 and I'm trans/lgbtqia, but I do need safe and legal entry and exit, even if they serve an eviction, I don't think the police officer could understand this message completely, and I'm very sorry to have bothered you, see court doc I filed last night I attached but I'm not an attorney, but I don't feel safe also the neighbors who have some unknown affiliation with the landlord blocking the exit have become aggressive and I've been hearing loud painful ringing tones in both ears, even though my right is injured, and I believe some racism or slurs are being used not just by the one below, Thank you

I am so sorry to hear about your situation, that is really difficult and complex

I am wondering what other exit are you allowed to use? Is there only ONE exit which you are not allowed to use? So with that being said, you have to ask permission every time you leave? That is wrong and violates your equal rights to basic need

Also the court clerks are ignoring my request for accommodation and keep calling and leaving so many messages that I don't understand, and there's hours of them

Also, the local food stamp office is declining my applications for foodstamps and emergency financial assistance, and they keep calling and leaving message despite my request to them and valid applications....also, so I don't think the local Christian branch of legal aid that got suggested is going to be a good fit

Thank you so much

Also, the local court clerk made me pay 138 dollars that I don't have for subscription, but now I can't access my documents as I could before and they want more money from me that I don't have... this is urgent because I need these restraining orders to remain in effect.....

That is discrimination right there by refusing to accommodate your need.

Have you tried contacting your local ADA office?

Email: [info@hawaiidisabilityrights.org](mailto:info@hawaiidisabilityrights.org)  
<https://www.hawaiidisabilityrights.org/>

Email: [ada.coordinator@mauicounty.gov](mailto:ada.coordinator@mauicounty.gov)  
<https://www.mauicounty.gov/143/ADA-Coordinator>

Email: [adarequest@court.hawaii.gov](mailto:adarequest@court.hawaii.gov)  
[https://www.courts.state.hi.us/services/ada/disability\\_accommodations\\_coordinators](https://www.courts.state.hi.us/services/ada/disability_accommodations_coordinators)

Do you have SSI or SSDI? I wonder if you could apply there? Also DSHS is where you applied for food stamp? To apply for SNAP you have to be eligible again if you are permanent disabled again in your hearing ringing/deaf is considered a that.

I filed the restraining order against "Doris" - who may or may not be the landlord, and I supplied the local SNAP and some other emergency office you listed above with a signed doctor statement of permanent disability, and also notified them in writing of my hearing disability which is recently acquired and communicated to my PCP.. but they still decline all my

applications, hang up the phone when I don't understand, and leave treating voice messages and calls, its very scary and unfortunately I feel like they are also racist and homophobic, which makes this more dangerous for me... I filed complaint with one of the local , but they don't seem to understand the hazard they created for me, I need the emergency foodstamp and rent funds otherwise I can't afford rent much longer
